

Assignment 4

Design an assignment question by yourself
And then provide the solution

Grades will be given based on:

- How creative is the question
- Level of difficulty of the question
- Correctness of solution
- Clarity of presentation, does the class understand your question and your solution?

Avoid Plagiarism

Student must:

- Cite all references which the student use to design the homework
- Do not wholesale copy from online or from any existing publications

Penalty: zero grades for plagiarism and/or using other's work without proper citations
